

HIGHFIELD LEVEL 2 INTERNATIONAL AWARD IN FIRE SAFETY

COURSE DURATION:
10 HOURS

PRE-REQUISITE
None

COURSE OVERVIEW:

The Highfield Level 2 International Award in Fire Safety is a widely recognized qualification designed to provide essential knowledge and skills in fire safety. This course is suitable for individuals working in various sectors and who need to understand fire safety practices and responsibilities.

This course provides essential training for anyone responsible for fire safety in the workplace, ensuring they have the knowledge and skills to manage fire risks effectively and maintain a safe working environment.

COURSE AUDIENCE:

- Individuals who need basic fire safety training as part of their role.
- Those responsible for overseeing fire safety measures.
- Those seeking to enhance their fire safety knowledge.

COURSE CONTENT:

The Highfield Level 2 International Award in Fire Safety typically includes the following components:

- Understanding Fire Safety
- Fire Prevention and Control
- Fire Safety Procedures

COURSE ASSESSMENT AND GRADING :

The qualification is assessed by multiple-choice question (MCQ) examination. The assessment contains 30 multiple choice questions that must be completed within 1 hour. Successful learners must achieve a minimum pass mark of 18 correct answers (60%).

60%	Pass
70%	Merit
80%	Distinction

COURSE CERTIFICATION:

Successful candidates receive the Highfield Level 2 International Award in Fire Safety, which is recognized internationally.

COURSE PROGRESSION:

Progression and further learning routes include:

- Highfield Level 3 Award in Risk Assessment
- Highfield Level 3 Award in Health and Safety in the Workplace

LEARNING OUTCOMES:

At the end of the course, candidates will be able to:

- Understand the hazards and risks associated with fire in the workplace;
- Understand how fire risk is controlled in the workplace;
- Understand the principles and practice of fire safety management at work; and
- Understand the role of the nominated fire warden.
