

## HIGHFIELD LEVEL 2 INTERNATIONAL AWARD IN RISK ASSESSMENT

COURSE DURATION:  
**8 HOURS**

PRE-REQUISITE  
None

### COURSE OVERVIEW:

The Highfield Level 2 International Award in Risk Assessment course is designed to provide learners with a solid foundation in the principles and practices of risk assessment. This course is ideal for individuals who are responsible for carrying out risk assessments in their workplace or who wish to enhance their understanding of health and safety management.

## COURSE AUDIENCE:

- Those who have a role in health and safety or are interested in developing their knowledge in this area.
- Those who are responsible for ensuring workplace safety and compliance with health and safety regulations.
- Those who are looking to gain a formal qualification in risk assessment.

## COURSE STRUCTURE

- Introduction to Risk Assessment
- Identifying Hazards
- Assessing Risks
- Recording and Reviewing Findings

## COURSE ASSESSMENT

The qualification is assessed by a 15 multiple-choice questions to be completed in 30 minutes. Successful learners will have to achieve a minimum pass mark of 9 correct answers (60%). Learners who achieve a pass mark of 12 (80%) correct answers or above will achieve a Merit.

## COURSE CERTIFICATION:

Upon successful completion of the course and assessment, learners will receive the Highfield Level 2 International Award in Risk Assessment certificate, which is recognized internationally.

## COURSE PROGRESSION

Progression and further learning routes include:

- Highfield Level 2 Award in Health and Safety in the Workplace
- Highfield Level 3 Award in Health and Safety in the Workplace
- Highfield Level 3 Award in Risk Assessment

## LEARNING OUTCOMES:

At the end of the course, candidates will be able to:

- Understand why risk assessments are necessary for ensuring health and safety standards in the workplace.
- Understand the principles of risk assessment.
