IOSH Managing Safely

Course Overview:

Managing Safely is unlike any other course. You'll find a practical programme, full of step-by-step guidance, and a sharp business focus. But you'll also find that the highly innovative format and content engages and inspires your staff – critical to getting safety and health embedded across the whole organisation.

Course Topics:

- Assessing risks
- Controlling risks
- Understanding responsibilities
- Understanding hazards
- Investigating incidents
- Measuring performance

Target Audience?

Managing Safely is designed for managers and supervisors in any sector, and any organisation worldwide. They won't suddenly become safety experts – but they'll get up-to-speed on the practical actions they need to take, and gain the knowledge and tools to tackle the safety and health issues they're responsible for. Importantly, Managing Safely makes a powerful case for safety and health being an integral part of day-to-day management and business.

Course Assessment:

The assessment consists of:

- an invigilated, closed-book, end-of-course multi-format question paper – completed on the last day of the course
- a risk assessment project – usually completed in the workplace and returned to the training provider within two weeks of the last day of the course.

Pre-requisites:

There are no formal requirements to join this course.
